

Tipe G-Double Cabin 4x4

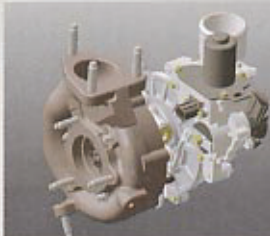

DOUBLE CABIN

NEW Engine 2.5L Common Rail VN Turbo Intercooler (VNT)

VNT mampu memberikan tekanan udara yang lebih besar pada putaran mesin yang lebih rendah daripada Turbocharger biasa yang berukuran sama. Hasilnya, torsi menjadi lebih besar di putaran mesin rendah.

VNT is able to release more air pressure at lower RPM compared to other same sized Turbocharger, resulting a bigger torque for your engine.

Anti-lock Braking System (ABS)

Dual SRS Airbags
